

This document provides detailed information on our 3 Angels Message Discipleship Program for Youth Ministry. Please read over this documentation in full and complete any sections labeled to be filled out. Once this is done, we can get started with the process on our end.

Many children, even in our great nation, are hungry, cold, and alone. This particular ministry allows us to put into practice the concepts Yeshua (Jesus) gave us when He made the following statements:

- Matthew 10:42: "Indeed, if someone gives just a cup of cold water to one of these little ones because he is my disciple — yes! — I tell you; he will certainly not lose his reward!"
- Matthew 18:6 "and whoever ensnares one of these little ones who trust me, it would be better for him to have a millstone hung around his neck and be drowned in the open sea!"
- Matthew 18:10 "See that you never despise one of these little ones, for I tell you that their angels in heaven are continually seeing the face of my Father in heaven."
- Matthew 18:14 "Thus your Father in heaven does not want even one of these little ones to be lost."

This is why we feel this is an important program to provide to our fellow disciples as they herald the coming of the Kingdom of God.

3 Angels Message Ministry will mediate a program with your local school district so that you can provide clothing, food, cards, and letters, or the things your child may need for nourishment, encouragement, and support in any area, emotionally, physically, spiritually, and psychologically. This is done in a way that is safe for the children involved in the program. You will not have direct contact with the child/children you are sponsoring but will be able to leave packages and envelopes at the school or local administration building.

If you have any questions or concerns while filling out the information or once you are actively participating in the program, we are generally available Monday through Thursday, 9 am to 5 pm MST. We are available by phone, email, and fax. Because our in-house staff is still small, and we often are unable to answer calls as they come in. However, we hope you can leave a message including the best number to reach you at and a time that we can call and discuss our services, ministry opportunities, and programs. We generally return calls the same day or within one business day.

We are reiterating that this program does not allow for direct contact with children. This is a voluntary discipleship program that provides for the needs of local children in your school district under guidelines negotiated with and dictated by the school district, the child/children's individual school policy, and possibly the child/children's parents' requests. Under these guidelines, it is possible you may be able to receive letters or other items the child/children may want to give to you in appreciation for your donations.

Any products you purchase and provide as donations to your child/children can be considered a tax-deductible donation through our ministry. Another option is that the school, if a not-for-profit educational institution, may offer their own programs. That is why we will provide more information on how to claim deductions for your donations once negotiations are complete and prior to executing your local ministry.

You will need a notary public to notarize this document. Your signature must be placed in this document in the notary's presence. You cannot sign the document ahead of time and then bring it to the notary.
